

HUNTON PARISH COUNCIL

Press & Media Policy

This policy was adopted by Hunton Parish Council at the meeting held on 18th March 2024.

1. Introduction

- 1.1 The purpose of this policy is to define the roles and responsibilities within the Council for working with the media and deals with the day-to-day relationship between the Council and the media.
- 1.2 It is not the intention of this policy to curb freedom of speech or to enforce strict rules and regulations. Rather, it provides guidance on how to deal with issues that may arise when dealing with the media.

2. Key Aims

- 2.1 The Council is accountable to the local community for its actions, and this can only be achieved through effective two-way communications. The media – press, radio, TV, internet – are crucially important in conveying information to the community so the Council must maintain positive, constructive media relations and work with them to increase public awareness of the services and facilities provided by the Council and to explain the reasons for particular policies and priorities.
- 2.2 It is important that the press have access to the Clerk/Members and to background information to assist them in giving accurate information to the public. To balance this, the Council will defend itself from any unfounded criticism and will ensure that the public are properly informed of all the relevant facts using other channels of communication if necessary.

3. The Legal Framework

- 3.1 The law governing communications in local authorities can be found in the Local Government Acts 1986 and 1988. The Council must also have regard to the government's Code of Recommended Practice on Local Authority Publicity.
- 3.2 The Parish Council's adopted Standing Orders should be adhered to.

4. Contact with the Media

- 4.1 The Clerk and Members must always have due regard for the long-term reputation of the Council in all their dealings with the media.
- 4.2 Confidential documents, exempt Minutes, reports, papers and private correspondence must not be leaked to the media. If such leaks do occur, an investigation will take place to establish who was responsible and appropriate action will be taken.

- 4.3 When the media wish to discuss an issue that is, or is likely to be, subject to legal proceedings then advice should be taken from a solicitor before any response is made. Whenever possible any information given to the press shall be given in writing so as not to leave interpretation open to misunderstanding and misreporting.
- 4.4 There are a number of personal privacy issues for the Clerk and Members that must be handled carefully and sensitively. These include the release of personal information, such as home address and telephone number (although Member contact details are in the public domain); disciplinary procedures and long-term sickness absences that are affecting service provision. In all these and similar situations, advice must be taken from the Clerk before any response is made to the media.
- 4.5 When responding to approaches from the media, the Chairman of the Council should be the authorised contact with the media in consultation with the Parish Clerk.
- 4.6 Statements made must reflect the Council's opinion.
- 4.7 Other Councillors can talk to the media but must ensure that it is clear that the opinions given were their own and not necessarily those of the Council.
- 4.8 There are occasions when it is appropriate for the Council to submit a letter, for example to explain important policies or to correct factual errors in letters submitted by other correspondents. Such letters should be kept brief and balanced in tone and correspondence should not be drawn out over several weeks. All correspondence must come from the Clerk, following agreement by the Council.

5. Attendance of the Media at Council Meetings

- 5.1 Agendas and minutes of meetings are available on the Council's website.
- 5.2 The Local Government Act 1972 requires that agendas, reports and minutes are sent to the media on request.
- 5.3 The media are encouraged to attend Council meetings and seating and workspace will be made available.
- 5.4 Members of the press (and the public) are entitled to record parish meetings in accordance with the Local Government Audit and Accountability Act 2014.

6. Press Releases

- 6.1 The purpose of a press release is to make the media aware of a potential story, to provide important public information or to explain the Council's position on a particular issue. It is the responsibility of the Clerk and Members to look for opportunities where the issuing of a press release may be beneficial.
- 6.2 The Clerk or any Member may draft a press release, however they must all be issued by the Clerk, following agreement by the Council, in order to ensure that the principles

outlined in section three (Legal Framework) are adhered to, that there is consistency of style across the Council and that the use of the press release can be monitored.

7. Urgent Situations

- 7.1 In the case of an urgent letter or press release being required in advance of a Council meeting, this may be issued by the Clerk with the agreement of the Chairman of the Council (or Vice Chairman in the absence of the Chairman) following circulation of a draft version to other Members for comment.
