1. Welcome

The Chairman welcomed all present to the meeting.

2. Apologies had been received from Mr Chris Adams, Mr John Bates and Mr Mike Nichols.

3. Minutes of the previous meeting

These were agreed as an accurate record of the meeting of 8 December 2010. Copies had been distributed to all Trustees, Parish Councillors and local press representatives and were as usual available on request.

3. Matters Arising

The progress of the footpath was discussed. At the Parish Council Meeting on 13 January it was reported that minor amendments to the Agreements had been resolved and it was hoped that work would commence shortly. The recommendations of the Medway Valley Partnership in connection with the layering of the hedge would commence shortly in view of the approaching bird nesting time.

A key to the main Field Gate had been purchased for the use of the Football Club. It was agreed that RS should be reimbursed for the cost of the key from the Playing Field Budget.

4. Health & Safety

There was no Play Area Inspection Report to discuss at the present time.

With regard to the emptying of the litter bins, MBC had confirmed that these were emptied during the first week of every month when a litter pick of the Field also took place. Because of the snow this was not done in December and it was agreed that the invoice for December would be cancelled. It was agreed to monitor the situation to establish whether the bins needed to be emptied more than once a month.

5. Finance

The current Income and Expenditure Account for the Field was received and noted by the Committee.

The question of obtaining funding for the repairs to the car park was again discussed. It was agreed that MC would contact Cllr Mortimer to see if we could obtain some advice from MBC.

6. Administration

The Charity Trustee Insurance Policy had been renewed for the period to March 2012.

Other Parish Matters and Parish Plan

It was reported at the Parish Council meeting that the funding for the proposed Gateways to the village had been signed off and it was hoped that these would be installed shortly. With regard to the Parish Plan a Open Day was planned for 12 February when the results of the questionnaires would be available.

Hunton Fete

Members of the Committee had attended the first meeting of the Fete Committee on 26 January and were encouraged by the level of commitment and organisation evident within the village. All the sports clubs at the Field are willing to give support and help to the Committee as necessary.

Date of next Meeting

Thursday 21st April 2011 at Hunton Village Club

There being no further matters the formal part of the meeting ended at 9.00 pm.
