**1. Welcome**

The Chairman welcomed all to the meeting.

**2. Minutes of the previous meeting**

These were agreed as an accurate record of the meeting of 2 May 2012. Copies had been distributed to all Trustees, Parish Councillors and local press representatives and were as usual available on request.

**3. Matters Arising**

- The purchase of a pitch maker was to be held over until the end of the cricket season.
- The new sign re Bowls, Football & Cricket Clubs have been erected.

**4. Health & Safety**

- The current Safety Inspection report regarding the Play Equipment was considered. Again, we were in some doubt as to the work required by the Report. The Secretary would again chase the MBC Inspector with a request that he attend a meeting on site to discuss the report.

**5. Finance**

- Payment of a further invoice in the sum of £150 from Robert Cox in respect of work carried out at the Field prior to the Summer Fete was agreed.
- ST submitted the invoice from Iden Signs (See 3. above) in the sum of £220.80 and the Secretary was requested to arrange payment direct to Hunton Wanderers Cricket Club.
- Both invoices would be sent to the Parish Clerk for payment from the Field monies.

**6. Administration**

See **Other Matters** below.

**7. Other Parish News**

- The Chairman and the Secretary had attended the recent Parish Council Meeting on 2 July. One particular item of interest both the Field Committee and the Sports Clubs was a presentation by Abi Jessop, the Community Engagement Officer, KCC. On KCC Member Grant Schemes, and a possible means of funding for some play equipment for the Field.
- The saga of the footpath from Bensted Road runs on and there is still no date for the installation of the bridges or the commencement of the work.
- The temporary closure of West Street and Hunton Hill was discussed. The Secretary would write to the Parish Clerk for further information on access to the Field.

**8. Other Matters**

- It would appear that KCC Landscape Services, who mow the field, have reported

difficulty in opening the field gate. ST would look at this.

- Rabbits were again causing a problem, and the Secretary was requested to write to Mark Draper to request him to attend at the Field for the purpose of eradicating the problem.
- Prior to the meeting the annual walk around the Field took place. David Seaton attended for the purpose of discussing the possible siting of the "community orchard". It was agreed that the area behind the Bowls Green would make an ideal site and the Committee would be happy to have this site used for such a purpose. Clearing of the site and Funding would have to be discussed in more detail with the Parish Plan Committee. In an effort to further improve the appearance of the Field, it was also agreed that Robert Cox should be asked to look at the area either side of the Cricket Pavilion with a view to tidying both the hedging and the ground area which has become very overgrown. In all other respects the Committee felt the Field was in good order.
- In an effort to try to further improve the facilities at the Field the Chairman and the Secretary met with a representative from PlayDale Playgrounds Limited, a Company with considerable experience in designing and installing play areas. Three suggested pieces of additional equipment for the play area were discussed. The cost of the equipment suggested was from £3,500 to £5,000 plus VAT. It was agreed that a representative from the Committee should meet with the Parish Plan Committee to seek their views on the designs and also the possible funding of the equipment.
